ULTIMATE DISCO CRUISE

The disco sound merged funk, pop, and soul music. It was musical seduction at its best and everyone was invited. Lifestyles, fashion, and attitudes were changing and disco was the soundtrack that brought it all together. The music had a beat and message that made us get out on the dance floor and kept us out there all night. We're bringing that movement to the high seas on the Ultimate Disco Cruise as we celebrate the dance explosion that was disco music. Get onboard in 2019 and dance the night away as we hustle back to the late '70s and relive everything that made the disco era such a special time in our lives.
